The last occasion STARS visited the Krakow area our guide asked if anyone would like the opportunity to visit Auschwitz. To our surprise, the whole group elected to make the visit and give up a day on the rails. This time we present another opportunity to visit the site but, by offering it as a precursor to the Polski-Silesia *Flyer* and, in doing so, the latter is not compromised.

In order to take part, you should arrive at the hotel on Tuesday 7th May in order that we can make an early start from the hotel on Wednesday morning (8th May). A bus will convey the group to the site and we will spend the morning at Auschwitz 1, the original camp established from a Polish military camp in 1940. In the afternoon we will travel the 3 kilometres to the village of Brzezinka where, in 1941, the death factory of Auschwitz II Birkenau was built. It is here that you will see the infamous Railway Gates. At the end of the day the bus will convey us back to the hotel.

Your fare includes hotel accommodation and transport to / from the site but **does not include any admission charges.**
