ITINERARY

In keeping with members increasing interests in trams, we offer this short pre-tour appetiser to visit both tram depots in Ostrava. We will meet at the hotel in Ostrava at lunchtime and journey to the depots at **Moravska** near to the Hlavni Nadrazi and **Poruba** close to Svinov Hln. If we have time we travel a little further north and try to fit in a visit to the **Martinov Turkov workshops**.

Please note that this will be an afternoon only series of visits and for those not participating in the Ostrava Explorer Raltour STARS will not be able to book additional accommodation due to numbers
